The training seminars normally start at 8:00 AM and end at 4:00 PM.

- **On-site:** Attendees will participate in person at the AutoForm Skills Center (Suite 300A).

Number of Participants

To ensure the effectiveness of the training seminars, the number of participants per course is limited. Therefore, we recommend registering as soon as possible. In case a course is full, we will try to suggest an alternative date.

Postponement or Cancellation of Training Seminar by Participant

If we receive your written cancellation more than 14 days prior to the training start-date, there is no cancellation fee. For cancellations received within 14 days of the training start-date, we must charge a cancellation fee of 25% of the training Fee. However, if you cannot attend a course for which you have registered, you can substitute another participant from your company (in this case, the Participation Conditions apply to the new participant).

Postponement or Cancellation of Training Seminar by AutoForm

AutoForm reserves the right to cancel any training seminar if there are insufficient registered participants. In this case, registered participants will be informed at least one week prior to the training start-date. AutoForm also reserves the right to cancel any training seminar at any time prior to the start-date, due to illness or accident, or any other circumstances which prevent the training seminar from being carried out. In this case, AutoForm will inform the registered participants immediately of the cancellation of the seminar. Registered participants will be rescheduled for a future training session. If rescheduling is not possible, AutoForm will issue a refund.
